Terms of Purchase Agreement

Please take the time to thoroughly read the terms of this sales agreement and contact Tunie's Siberians if you have any additional questions.

Tunie's Siberians guarantees kittens for genetic defects for one year if that said defect is evidenced in an autopsy report. Tunie's will replace that kitten with another of the same type (pet/breed/show). No cash refunds will be given.

Any cat or kitten purchased from Tunie's Siberians must be picked up on or before the scheduled pickup date or the buyer will incur a boarding charge of \$5 per day beginning with the first day after he scheduled pickup date.

Tunie's Siberians asks that the Buyer must agree to take excellent care of their kitten and always provide veterinary care when needed and as a preventative to disease or illness. Please bring your new kitten to the vet within four days of bringing him or her home.

Tunie's will accept a kitten return due to an allergy within the first 14 days from purchase. The purchase price will be refunded minus any original deposit. The buyer may not have any other pets on the premises for this to be valid. All kittens returning to our cattery must have a Health Certificate issued no more than two days prior to their return if more than three days has lapsed since the purchase.

Pets must be spayed or neutered within six to eight months of birth. Registration papers will be only issued when a copy of a receipt from a licensed veterinarian indicating the animal has been spayed or neutered is received by Tunie's Siberians.

If for any reason the buyer no longer wants to keep or can no longer care for the cat, Tunie's will be notified immediately and granted the right of first refusal.

Tunie's Siberians is no longer responsible for the cat/kitten once it has been released to the buyer or airline employees/or shipping agents of any kind. Buyer may elect to purchase insurance through the airline or transportation company to cover the transportation of the kitten.

Buyer agrees that if any of the terms of this agreement are violated, breeder may reclaim this kitten without refund of purchase price. The buyer agrees to pay all court costs if this agreement is litigated, and that any suits shall be filed and tried in Minnesota under the laws of the State of Minnesota.
